New Turin-Kyiv flight: SkyUp Airlines expands its network in Italy

Caselle Torinese, 12th December 2019 - On December 12, 2019, SkyUp Airlines completed its first flight from Kyiv to Turin. It will now be possible to fly twice a week from the capital of Ukraine to the important economic and industrial center of Italy.

“Today, we have taken another step in implementing our strategic program of flight map development. Turin became the fourth destination of SkyUp Airlines in Italy. From now on, Ukrainians have the opportunity to explore one more region of Italy and discover new cities in this incredible country. At the same time, it is important for us to open Ukraine to the world. We are glad that we will now be able to show our capital to Piedmont residents. Kyiv is one of the oldest cities in Europe, rich in cultural and historical sites. At the same time, the city is modern and dynamic”, said Yevhenii Khainatskyi, Chief Executive Officer of SkyUp Airlines.

Schedule and fares for Kyiv – Turin – Kyiv flights:

When: Thursday, Sunday

Ticket fare without luggage: from 50,49 €*

“We are very pleased to welcome SkyUp Airlines as a new airline in our airport. With the direct flight to Kyiv, the offer of low-cost destinations from Turin is expanded, offering the possibility of a new connection to all those who for tourism or work reasons wish to travel to Ukraine. The flight also serves the large Ukrainian community in Piedmont, where it has over 10 thousand resident citizens and will allow businesses in our area to develop further trade links with this interesting market” said Andrea Andorno, Chief Executive Officer of Torino Airport.

“December 12, 2019 is a very important day for the community of Ukrainians living in Piedmont and not just for them, but also for Piedmontese companies and entrepreneurs who will be able to travel more easily in Ukraine and make business and business contacts”, underlined the Honorary Consul of Ukraine in Piedmont, Dario Arrigotti, on the day of the inauguration of the direct connection by SkyUp Airlines between Turin and Kyiv.
